Form No. GE-1420 et al Term Life Policy (APPROVED)

New Current Rates for Sure Term 15, 20, and 30 – Level Premium Period Rates and 5 Year Grade-In Rates for all Face Amounts

Actuarial Justification

Dear Commissioner/Director:

We are revising the rates for the Sure Term 15, 20, and 30 year plans for new issues only. The current and guaranteed rates for this plan are enclosed for your information; they replace their previously filed counterparts.

As previously indicated to your department, the four bands for this plan are as follows: face amounts of \$50,000-\$99,999, \$100,000-\$249,999, \$250,000-\$999,999, and \$1,000,000 and above. The current rates are level and guaranteed for a period of 15, 20, or 30 years for Sure Term 15, 20, and 30 respectively. There are no changes to any guaranteed rates after the initial level premium guarantee period. These rates are enclosed for your convenience. An actuarial justification is also enclosed.

The text, design, features, and issue ages remain unchanged from those currently in use in your state for previously approved Form No. GE-1420 et al.

The rates were not filed in Delaware because the Delaware Insurance Department does not require individual life rate filings.

Applicable certifications, filing forms, and filing fees, if any, are enclosed.

Thank you for your assistance with this submission.

Sincerely

April Bauserman
